

INDUSTRIAL HOSES TRANSPARENT

The filament-reinforced colored industrial hoses of REHAU are suitable for conveying various media, e.g. Technical gases or liquids.

AVAILABLE IN THREE COLORS:

- Red transparent
- Blue transparent
- Green transparent

Made of selected cadmium-free material, we supply the thread-armed industrial hoses in sizes DN 6, 8, 9, 10 and DN 13.

CONVINCING:

- Abrasion resistant
- Aging resistant
- Chemical resistant
- Cadmium free
- Transparent
